## **New Employee Benefits Program Coming to Nashville**

AUSTIN, TX (August 25, 2008) – *Employee Benefits – Health Insurance* is a new course for those insurance professionals involved in employee benefits/health insurance sales and service. Developed by The National Alliance for Insurance Education & Research, this program will be conducted in Nashville, Tennessee, October 20-22, 2008, providing participants with highly specific, comprehensive information.

This 2 ½-day program is open to—and recommended for—all insurance, risk management, and employee benefits professionals.

Topics include:

- Health Insurance Plan Designs
- Medicare/Medicare Supplement
- Tax-advantaged financial accounts: FSA, HRA, and HSA
- Alternative health programs
- Ancillary products
- Self-funded health plans

“This is a unique educational offering, conducted in an intensive 20-hour format,” said William T. Hold, Ph.D., CIC, CPCU, CLU, President of The National Alliance. “It will be taught by practicing specialists in the health insurance field, and is an ideal way for producers, CSRs, risk managers, and health insurance professionals to gain in-depth knowledge in an increasingly complex field.”
